

Dear Potential Sponsors:

As a valuable member of our community, we would like to invite you to be a part of our 56th Biennial WAD Conference. During the conference, we will be offering four workshop tracks, two plenary addresses, meals and an award banquet with performance by the one and the only David Rivera! This conference will be unique as we will be partnering with WisRID and WESP-DHH outreach by having them sponsor a workshop track. By having this unique partnership, we expect to attract larger number of attendees this year including parents, educational professionals, and interpreters.

We are looking for businesses and organizations like yours to help us make this event truly special for our community. As a contributor in the community, your involvement through sponsorship would help highlight the importance of coming together, and creating connections within our community.

I hope that you are interested in joining our effort to show respect, admiration, and support for our community. Conferences like this can provide the encouragement a community needs to continue to keep our connections healthy. Your sponsorship will allow us to build up on our connections so that the community can connect for the years ahead.

Please be cognizant that due to the space limitations, I am encouraging you to submit your form as soon as possible to secure an exhibit space. Each exhibit space will have a table and two chairs. The set up will be Friday and Saturday morning 7am-8am, and take down will be at end of day each day at 5pm since the exhibit space will be in public area and will not be secured overnight.

I will be following up with you within the next few weeks to discuss your interest. We are also open to in-kind donations including donating interpreting services and printing services. Please feel free to reach out to me with any questions at mallance@wisdeaf.org.

Sincerely,

Lance Weldgen, Jr.
WAD Board Member At Large
WAD Conference Sponsorship Coordinator
